Ten years later, it's still the Teacher's Pet!

For over ten years, our trouble-free Easy-Lam™ laminator has been called the "Teacher's Pet" for good reason. Its ease of operation and low cost have made it a teacher's favorite. Today, we proudly introduce the all new, Easy-Lam II™ featuring improved ease of use, workmanship and dependability. It's a perfect solution for any school laminating project, such as posters, flash cards, teaching aids and more - large or small.

Our new, Easy-Lam II™ offers you smart designed-in features so important to a busy school environment. With simplified, easy-to-use controls, you'll enjoy the Easy-Lam II™ capability to laminate either .0015" or .003" gauge film. And, the easy-to-set heat control and a wide 27" film capacity allow you to laminate different materials with two more inches of capacity than a conventional 25" machine.

Designed expressly with the teacher in mind, Easy-Lam II™ is engineered to be school safe and user friendly.
