

CoilPro 1000

Operation Manual

POWERHOUSE

CoilPro 1000

Operation Manual

PUNCH

Insert sheets & press bar down to punch.

BIND

Place document in V-channel, Insert spiral coil and spin it in by hand.

PRESENTATION

Ideal for reports, manuals, brochures, menus, notebooks, etc.

IMPORTANT

Cut-off and crimp any excess coil and bend it in at both ends. This step will prevent it from unbinding.

*Crimpers sold separately
