

# KOMBO™

---

## Operation Manual

# KOMBO: E-Z INSTRUCTIONS

## ADJUSTMENTS

- 1** Attaching handle to your machine.

**3**

For 11" sheets pull out the first and the last set pins (#1 and #21 on the black punch diagram).

**4**

Black knob on the left side of the machine can be set for handle to stop automatically at the same position each time for long binding runs.

## PUNCHING

**5**

Handle upright, put sheets flush into machine. (Use side guide for side adjustment.)

**6**

Pull the handle down for punching. Return the handle to its upright position to remove the paper.

# BINDING

---

- 7** Place binding element, open side up, behind metal fingers.

- 8** Push handle to the rear to open rings.

- 9** Insert paper vertically, cover facing you.

- 10** Lay paper down horizontally, then put handle back to vertical position.

- 11** Remove book vertically.
