Shelf push-pins fasten printed materials and merchandising items onto perforated metal store shelves. The tapered pins pass easily through your materials and insert into shelf holes. They then spread open, gripping the shelf and holding your materials in place.

Features

- Push pins are 1/2" long with 3/8" diameter domed heads.
- They bind materials from 0.186" to 0.25".
- Manufactured in natural polypropylene.
- Ideal for perforated metal store shelving.
- Fit both diamond-shaped and round holes.
- Sold in packages of 1000.
