These **UPC data rails** adhere to shelving with peel-and-stick permanent film tape and create a channel for inserting UPC price strips. A tall front face protects the inserted strip and a UPC code can be scanned through clear face.

Features

- UPC data rails are 0.33" high x 48" long.
- Has 1/2" high-tack clear film tape on the back with removable liner (Walmart approved) or white foam tape.
- Clear PVC with UV modifier.
- Top opening for easy insert of 1-1/4" price tickets.
- Use on shelf edges or displays to hold changeable tickets.
- UV modified material resists yellowing; good for long-term usage.
- Clear tape maintains clean look.
- Bar code scanners can read through the clear face.
- Sold in packages of 10.
