The plastic card punch is a heavy-duty punch for punching cards up to 32 mil (0.032") easily. It comes with cushioned handles and a large reservoir to catch the clippings. This punch is a good choice for those odd jobs where you can't justify the cost of a power punch or paper drill.

Features

- The punch is 6-3/4 inches long.
- Reach (depth) is 1-1/2 inch.
- Punches a 1/4" round hole.
- Weight is 14 ounces (0.875 pounds.)
- Hardened steel dies punch a clean hole in a wide variety of materials.
- Heavy nickel plating resists wear and corrosion.
- Thick cast construction is many times stronger than cheap stamped punches.
- Hardened steel pivot pin is permanently lubricated.
