Mid volume electric tabletop wire-o finisher with features like a heavy duty electric punch, wire-o inserter, and wire-o closer in a compact tabletop unit.

Features

- Finishes Wire-O books from 2 to 210 sheets (20# bond), on a bound edge up to 13" wide.
- Electrically close Wire-O size up to 1-1/4"
- Foot pedal operation
- Heavy duty steel dies punch up to 25 sheets of 20# bond in a single stroke
- Tilted closing table and jaws for optimum document position
- Easily adjusts for different Wire-O sizes
- Built-in book thickness gauge for accurate Wire-O size selection
- 3:1" & 2:1" round or square hole Wire-O punch dies available from stock. Other dies available for plastic comb or plastic coil finishing
- Punch dies slide in and lock in place in less than one minute
- Retractable punch pins to allow for standard Wire-O formats
- Tool storage built-in spare die storage to ensure punch tools are always available and protected
- Anti-pinch photo cell prevents inadvertent punching and closing cycles
- Small footprint tabletop model allows easy machine placement wherever it's needed
