Plastic snap rail, inserted into a beautiful aluminum shroud, creates a poster hanging system that can suspend large signs, grip a wide variety of materials, and provide a highly finished look for up-scale sign projects.

Sold in packages of ten rails. End caps are included. [Aluminum banner clips](#) are sold separately.

Features

- Aluminum snap rails are 1" high x 0.88" wide.
- Stock lengths: 22", 24", 36" and 48".
- Black end-caps measure 1" high x 0.9" wide.
- Each aluminum snap kit includes one clear PVC snap rail, one aluminum shroud and two black end caps.
- Add our aluminum banner clips to provide a hanging point. Sold separately.
- Use with a wide variety of sign stocks up to 0.070 thick.
- For durable, long-term sign hanging.
- Reusable for multiple sign changes.
- The aluminum shroud's internal track corresponds with, and slides over, the snap rail.
- The black end caps cover the internal snap rail's ends.
- Sold in packages of 10 rails, enough for 5 signs or banners.
