The DC-210N is a heavy duty 36 sheet rotary paper trimmer, perforator, and scorer. It cuts cardstock, artist board, plastic sheets and more. The patented locking rail mechanism and luminous paper holder is made of acrylic that pipes light to the cutting line, making cutting easy and accurate.

Features

- Adjustable magnetic paper guide holds materials on a calibrated metal base board.
- Has a storage compartment for extra blades and mats.
- One spare cutting mat is included.
- One cutting blade is included.
- One perforating blade is included.
- **Scoring blade is not included.** It is available for purchase separately.
