Jack chain is ideal for hanging signs at varied heights. Meant to be cut to the desired length and attached with our 1" s-hooks, jack chain is well suited for both long term and short term installations of large and heavy signs.

Features

- Jack chain is made of zinc-plated steel.
- Links are 11/16" long x 1/4" wide.
- Links have a 1/4" diameter opening to accept s-hooks and other fasteners.
- Sold in rolls of 250'.
- Chain is also available cut to specific lengths and kitted for custom orders. Contact us for details.
- Brass finish chain is available as a custom order.
- Use for hanging signs at specific, non-adjustable heights.
- Hang medium and heavy weight signs (up to 15 lbs.)
- Strong, durable, and reusable.
