Nylon cable ties are used to affix signs to store shelving, or to connect tags to product. The cable ties are tamper resistant since they must be cut to be removed. Easily adjusted, cable ties are well suited to rapid hand assembly.

Ties are available in 8" and 11" lengths. Sold in packages of 1000.

Features

- Ties are made from #6/6 natural nylon.
- 8" long ties are 40 lb. test and have a maximum bundle diameter of 2".
- 11" long ties are 50 lb. test and have a maximum bundle diameter of 3".
- **Sold in packages of 1000.**
- Use for secure, tamper resistant connection of tags to product and to mount signs to shelves, displays, and poles.
