Our wobbler strips are a simple, low-cost and effective way to **add motion to your small and medium-sized signs**. Attach one end of a wobbler to displays, counters, cash registers, etc. and the other side of the wobbler to a small sign. The flexible PVC material adds motion to the sign.

Features

- Wobbler strips are made of 8" long clear PVC in two thicknesses.
- Small wobbler strips are 10 mil PVC, for signs weighing up to 1/2 oz.
- Medium wobbler strips are 15 mil PVC, for signs weighing up to 1 oz.
- Large wobbler strips are 15 mil PVC, for larger signs.
- Both ends of the wobbler strips come with permanent foam tape with a peel-and-stick liner.
- The small end of the large wobbler has a hanging point in addition to the foam tape.
- Mounts securely to both horizontal and vertical surfaces.
- Use the hanging tab, rather than the foam tape, for two-sided signs.
- The flexible PVC creates a bobbing motion, attracting attention to your sign.
- Sold in packages of 1000.
