

Aluminum Snap Rail End Cap

[]

Your Price: \$66.00

Prices and specifications are subject to change. Click the link to view the latest information: [Aluminum Snap Rail End Cap](#)

Aluminum snap rail end caps snap into corresponding grooves on the shrouds of [aluminum snap rails](#). Once in place, the end caps cover the exposed ends of the kit's internal PVC snap rail, for a highly finished look.

End caps are furnished with the aluminum snap rails and kits, so use these to replace lost or damaged caps or for custom cut lengths of rail.

Features

- End caps are 1" high x 0.90" wide.
- Available in black PVC.
- Cover the exposed ends of the internal PVC snap rail within an aluminum shroud.
- Two tabs on the end cap correspond with grooves in the aluminum shroud.
- The end caps fit tightly and flush against the shroud yet are easily removed for sign changing.
- Sold in packages of 100.
