Velcro® hook-and-loop tape is useful in many ways for creating displays and affixing signs to a wide variety of surfaces. We carry adhesive-backed Velcro® in 3/4" and 1" widths on 25 yard rolls. **Hook and loop rolls are sold separately.**

Features

- Velcro® tape is sold in 3/4" or 1" width on 25 yard long rolls (900" total length).
- Tape is adhesive-backed with a removable liner.
- The hook, abrasive in texture, is also known as the male side.
- The loop, soft in texture, is also known as the female side.
- Tape is available in black and white.
- Hook and loop rolls are sold separately.
- We also carry pre-mated tape segments.
- Use in the assembly of displays and dump bins.
- Use to mount signs to a wide variety of surfaces.
- Use for very strong, yet removable sign mounting.
- The high-tack, permanent, rubber-based adhesive adheres quickly for immediate use.
