The **NX series poster hanging rails** are extra-rigid lengthwise, making them ideal for long graphics. The oval profile and the use of end caps gives the NX Snaprail™ a highly finished look. The appearance is similar to aluminum snap rails, but at a more economical price.

Available in silver and clear. Banner clips and end caps are sold separately.

Features

- Rails are 1.03" high x 0.56" deep.
- Stock lengths: 22", 24", 36", 48", and 72".
- Available in clear and silver PVC.
- To provide a hanging point, use [universal banner clips](#), [banner clips](#), or [economy banner clips](#). Sold separately.
- [NX end caps](#) are sold separately.
- Use with sign materials from 0.007" thick to 0.070" thick.
- The quick-change, bottom-feed feature for simple sign mounting and changing.
- Closes easily once sign stock is inserted.
- Reduces crumpling and scratching of sign material.
- Sold in packages of 10.
