Prices and specifications are subject to change. Click the link to view the latest information: [1/8" or 1/4" Sign Channel](#)

These **sign channels** hold thick materials, either 1/8" or 1/4" thick. Permanent peel-and-stick foam tape mounts signs securely to vertical surfaces. Use one channel at the top and another at the bottom to securely mount a sign. Two signs can be mounted, one above the other, with the addition of a center channel.

Features

- Sold in lengths of 48". Can easily be cut to length for smaller signs.
- The 0.125" sign channels have a 3/4" mounting base and a 5/16" front sign-grip lip.
- The 0.250" sign channels have a 3/4" mounting base and a 3/8" front sign-grip lip.
- Manufactured in clear PVC with white foam tape.
- Mount signs in the channel and easily slide horizontally for positioning or sign changing.
- Use the channel at the top and bottom of your sign to keep signs from bowing or dropping out.
- A fully open "J" channel makes it easy to insert and reposition stock
- A low front lip for minimal blocking of your sign's printed area
- A wide channel opening accepts extra-thick stock.
- Sold in packages of 10.
