This heavy duty hand held paper hole punch will punch 1/4 inch diameter holes. This product is 4-3/4 inch in length and has a 1 inch depth reach. This paper punch is 5 pounds and very easy to use. This would be perfect for punching holes in scrapbooks, carpet swatches, paint swatches, and any projects that you will be using a screw post or loose leaf ring for. This is nice to have for small projects and you don't want to spend the money on a big paper drill.
