The **shelf channel mount** snaps into the 1-1/4" front channel of standard retail shelves. Small signs are then mounted with peel and stick permanent foam tape. The mount slides back and forth in the price channel allowing for quick sign positioning.

Features

- Sign mounts are available in 1.25" and 2" lengths.
- Manufactured in clear PVC.
- The 1.25" length has 1/2" white permanent foam tape on the front.
- The 2" length has 3/4" white permanent foam tape on the front.
- Sold in packages of 100.
- Use to mount signs in standard 1-1/4" self-edge channels.
- Position signs by sliding the adapters back and forth in the self-edge channels.
- Slightly flexible sides pinch towards each other for easy insertion into self-edge channels.
- Peel and stick foam tape makes sign mounting fast and secure.
- Can be used to mount other types of sign holder to shelf edge channels.
