The GBC CombBind C75 is a small light duty comb binding machine that's perfect for Home & Small Office use. It punches up to 10 sheets of 20 lb. paper at one time and can bind up to a 120 sheet book which is about 7/16" thick and would use a 9/16" comb to bind it. With the C75 CombBind you can punch letter (8 1/2" x 11) and A4 (8.3" x 11.7") sized documents with the U-shaped handle increasing leverage and making it easier to punch while also letting right handed and left handed people get a good grip.

The GBC CombBind C75 Comb Binding machine uses standard [Plastic Comb Binding Supplies](#). The comb binding machine takes up little space and weighs 10 lbs, it comes with suction cup feet to stabilize it while punching and binding.
