This 3-sided mobile kit includes two molded mobile center pieces, one c-hook with string and six pieces of double-sided foam tape. Affix three printed panels to the mobile center pieces (top and bottom) and join the edges of the panels with the foam tape. Attach the barbed-end string to the hanging point on the top center piece and connect the c-hook to a ceiling to complete the mobile.

Features

- The two 4-1/2" wide mobile centers are made from natural polypropylene.
- Includes six 1/2" x 3" x 1/32" [pieces of white foam tape with peel-and-stick liners for the corners.
- Includes one white c-hook with eight feet of string and a barbed-end hanging point to hang the sign.
- Your printed panels require a 1/4" hole to accept the mobile center's sign-gripping prong.
- Instructions are included.
- Mobile centers are available apart from the kit as a custom order.
- The c-hook with string can be replaced with other hanging options as a custom order
- Sold in packages of 10.
