The PH1850M 18.5" Heavy Duty Manual Stack Cutter cuts stacks of paper over 18" wide by over 3" thick in a single operation. The crank wheel clamp holds a full stack of paper securely, and the long lever produces the force necessary to cut that stack.

This cutter features heavy metal construction for many years of reliable service. It comes with a sturdy metal floor stand to support the cutter properly in operation.

Features

- Manual heavy duty ream cutter with 18.5" cutting length.
- Cuts up to 3.14" thick stack of paper at once.
- Sturdy metal base with printed guidelines.
- Heavy duty floor stand is included.
- Protective safety shield front and back.
- Wheel driven paper clamp.
- Hand crank back gauge for paper alignment.
- Inclined Cutting Technology
