With its modern and compact design, the iCoil manual punch and electric inserter machine is the perfect all-in-one solution for any office environment.

Features

- Round holes to fit 4:1 coil
- Coil Inserter & Crimpers: Electric inserter improves binding efficiency.
- The inserter's concealed design makes iCoil compact for storage.
- Coil Measuring Guides: Built-in guides help determine the correct coil size to be used for any given book thickness.
- Modern & Compact Design: Sleek and stylish design that fits in any professional office or copier room.
- Vertical Punching: For easy alignment of sheets & reduced punching errors.
- Anti-Dust Cover: Keep the inside of the machine clean and dust free when not in use.
- Ergonomic Handle: For a smooth and effortless punch every time.
- Hardened Punch Die System: Individually cast-hardened & heat-treated steel punch dies ensures many years of trouble-free operation
- Waste Drawer
- Foot Pedal
- Electric Inserter: Makes coil binding surprisingly fast & easy (Foot pedal operated). Stores out of sight when not in use.
- Coil Crimper: Cuts & crimps the coil to prevent it from spinning out of the book.
- Coil Size Selector: Built-in guides help determine the correct coil size to be used for any given book thickness
- Side Margin Control: Guarantees a well-centered punch on your document.
- Binds up to 7/8" (205 20lb. sheets) with Electric Inserter, 1-3/4" (395 20lb. sheets) when coil is inserted by hand.
