THE SUPER PAD PADDING PRESS HAS BEEN DISCONTINUED. IT HAS BEEN REPLACED BY THE PADDY WAGON

A heavy duty, high capacity padding press on its own roll-around stand. Take it to the press to load paper, then to an appropriate work area to pad, then store it out of the way when you are done. Modeled after the Challenge Paddy Waggon at a price that is a lot more easy on the wallet.

- Pads paper up to 17" x 23"
- Quick release, heavy duty cast iron clamps
- Stand keeps the press at working height without taking up valuable counter space
- Roll it where you need it on the built-in wheels
- Dual rear doors easily swing out of the way to apply padding compound
- Tilts back to make jogging paper easier, then back straight for padding
- One year warranty
