The XHC-150 Hole Punch can punch up to 150 sheets of 20 lb. paper at one time. With its solid construction and replaceable punch heads the XHC-150 has long lasting power and accuracy.

Features

- Solid Heavy-Duty molded construction
- Punches up to 150 sheets of standard 20 lb. bond paper
- Punch Heads are replaceable to make your punch brand new
- Oversized handle for easy open-handed punching
- Large molded non-skid base provides stability and reduces injury
- Large, easy-to-empty waste tray
- Patented precision-ground punch heads are hollow to slice through stacks of pages
- Hollow punch heads allow paper chips to travel up the hollow hole and into the waste tray
- Punch Heads are replaceable and available in sets of 3 punch heads and 6 punch disks (sold separately)
- Pre-set to punch 9/32" diameter holes for standard 3 ring binders
- Built-in paper guide for quick paper positioning and punching.
