This **20" knife guard** is made of $\frac{1}{4}$ " thick heavy-duty polymer, and measures $2\frac{1}{2}$ " tall by 20" long. Use it for protection during all non-production work.

A magnetic strip holds the guard securely in place, keeping the knife tip suspended. A black and yellow safety stripe is added for increased visibility.

This knife guard is designed to protect knives up to 19" long.

Note: This knife guard is not intended for shipping protection. Use a knife board when you need to transport your knife.
