Your Price: \$798.00

Prices and specifications are subject to change. Click the link to view the latest information: [DocuCrease 35 - 14" Score & Crease Machine](#)

The DocuCrease 35 has been discontinued. We recommend the [CR818 Manual Creaser](#) instead.

The DocuCrease 35 can score up to 14 in length. The DocuCrease 35 is designed to score/crease documents or prints that can be damaged easily due to cracking of printed ink. The score/crease is applied by pressure rather than a rotary method, which can allow cracking, tearing or tracking. This manual tabletop machine requires very little effort to pull down the handle for a precise crease. The DocuCrease 35 is configured for either left or right-handed operation and is ideal for any application that requires a perfect score, including greeting cards, etc.

Features

- Max Sheet Width: 14"
- Max Paper Weight: up to 12 pt. cover
- Max Score Length: 14"
- Min Score Length: 1"
