This economy poster hanging rail is a cost-effective means of hanging light signs on windows, walls, or from ceilings. The minimal design means that the poster rail does not visually compete with your sign.

Banner clips are sold separately.

Features

- Banner rail is 1/2" high x 3/16" deep.
- Stock lengths: 22", 24", 36" and 48".
- Available in clear PVC.
- [Valance clips](#), which provide a hanging point, are sold separately.
- For stock ranging from 0.005" to 0.125" thick.
- For paper and card stocks, light styrene and other similar stocks.
- Sign stock slips into either end of the rail and is gripped tightly.
- Sold in packages of 10.
