These poster hanging kits include everything needed to hang 10 posters or banner up to 48" wide. Just choose the kit with the proper hanger for size and weight of your sign and the desired mounting method.

These kits can be used to hang a variety of signs of varying weights from windows, walls, ceiling grids, or other overhead pipes or fixtures. Each kit is heat-sealed in a clear plastic bag, making it easy to package and ship along with your sign.

If you don't see what you need here, we carry all of these parts and more as separate items.

### Features

- All kits contain two each of the following: snaprails, banner clips, ceiling hooks, and string or wire.
- C-clip kits come with white c-clips and string. Use for light to medium weight signs.
- Wire hook kits come with 12" wire hooks and figure-8 clips. Use with all signs.
- Suction cup kits contain 1-3/4" suction cups with hooks. Use for light to medium weight signs.
- Snaprails are available in black, clear, or white.
- All kits contain clear banner clips.
- Snaprails are available in 22", 24", 36", and 48" lengths. They may be cut to shorter lengths.
- All kits include instruction sheets.
- Kits are individually packed in heat-sealed bags.
- Ideal for self-supporting promotions, with your sign shipped together with the snaprail kit.
- Use with sign materials from 0.005" to 0.070" thick.
- Works with a wide variety of poster stock, including flexible and slippery stocks.
- Sold as ten kits (Each kit will contain the number of parts listed above).
