CD/DVD foam dots feature a mylar top cap which greatly improves the dots ability to hold discs in place. Easily removed from the backing liner, the adhesive-backed dots quickly adhere to printed material and fit all CD and DVD center holes.

Features

- Dots fit all CD and DVD center holes.
- The mylar top cap holds discs securely in place.
- Furnished with permanent adhesive on the back side.
- Sold on rolls of 2500 dots.
- Available in black or white.
- Adhere to printed pieces to create a spindle for CD and DVD discs.
- Also can be used as a bumper.
