Affordable, safe, and easy to use.

This 17.7" automatic stack cutter cuts up to 1.9 inches (385 sheets). Both blade and clamp are automatic. The back guage easily adjusts with a handy adjuster knob. An optical cutting line shows where the blade will cut. In addition to a 2 button cutting operation, the safety infra red beam retracts the clamp and knife from any position if anyone attempts to enter the front cutting zone.
