The **Dahle 558 51" Professional Rolling Trimmer** can be used to accurately cut photographs, card stock or up to 20 sheets of 20 lb. paper. The transparent clamp secures the item you are cutting while letting you see that you are making the exact cut you want. The self sharpening blades let you cut both directions cleanly without producing jagged edges.

The Dahle 558 self sharpening blades also remove the hassle of dull blades that you have to change. And the ability to wall mount saves space in any office.
