The GBC Velobind 750 uses "hot knife" VeloBind strips for tamper proof security and a neat, professional appearance. The GBC Velobind 750 binds up to 3 inch thick documents. The GBC VeloBind 750 features a high speed electric punch capable of punching up to 25 sheets of 20 lb. at once.

Hot Knife Velobinding does not allow you to remove pages once your velobind document is bound. The velobinding process uses a hot knife to cut the prongs and seal the bind together permanently. This Velobind machine is extremely reliable and easy to use, you punch the documents for your book insert the velobind supplies and press the button to finish your book.

Notes on Refurbished Models:

The \$1995.00 Velobind is in slightly better condition than the \$1795 version. The \$1795 version has a crack in its case. Both work perfectly and come with a 90 day warranty.
