The P210E Electric Proclick binding machine achieves perfect results every time with its exclusive Guide Right™ feature. New front and side guides ensure paper is aligned before one touch electric punching. GBC Proclick allows you to easily edit a bound document, just use the GBC Proclick Zipper tool to unzip the proclick, insert new pages and re-close the Proclick. The P210E Proclick Binding Machine punches up to 15 sheets per punch. Proclick spines are available in 3 sizes: 5/16", 1/2" and 5/8"

Features

- Exclusive Guide Right alignment ensures accurate punching every time
- One-touch electric punching: easy and productive
