Plastic Snaprail™ features a quick-change, bottom-feed feature for simple sign changing. They are ideal for suspending large signs and for gripping a wide variety of materials.

Sold in packages of 10. Banner clips for hanging the rails are sold separately.

Features

- Snaprails are 1" high x ¼" deep.
- Stock lengths: 22", 24", 36", 48", and 72".
- Available in black, clear, and white PVC.
- To provide a hanging point, use [universal banner clips](#), [standard banner clips](#), or [economy banner clips](#). Sold separately.
- [Metal splints](#) are available for joining shorter pieces of snap rail together to form longer lengths.
- Use with sign materials from .005" to .070" thick.
- Grips soft, flexible, and slippery stock.
- Can be used with Tyvek™, soft vinyl, nylon, aqueous coated papers, sheet poly, and card stocks.
- Closes easily once the sign stock is inserted.
- Reduces crumpling and scratching of sign material.
- Sold in packages of 10; enough for 5 signs or banners.
