This economy poster hanging rail is a cost-effective means of hanging light signs on windows, walls, or from ceilings. The minimal design means that the poster rail does not visually compete with your sign.

Banner clips are sold separately.

Features

- Banner rail is 5/8" high x 9/32" deep.
- Stock lengths: 22", 24", 36" and 48".
- Available in clear vinyl.
- To provide a hanging point, use [universal banner clips](#), [banner clips](#), or [economy banner clips](#). Sold separately.
- Typical stock range is .01" to .035" thick, will accept stock up to .125" thick.
- For paper and card stocks, can also be used with Tyvek™.
- Sign stock slips into either end of the rail and is gripped tightly.
- The minimal design means that the banner rail does not visually compete with your sign.
- Sold in packages of 10.
