C-Channels adhere to shelving with peel-and-stick permanent foam tape. They create a channel for inserting price and feature strips on shelves that lack a built-in sign channel. Our 1-1/4" stock size matches standard insert strips.

Features

- C-channels are 1-1/4" high x 48" long.
- Made of clear PVC with foam tape on the back.
- Mount c-channel to shelving, then slide in price or product feature strips.
- Easy inserting of your strips makes frequent product or price changes easy.
- Sold in packages of 10.
