Ceiling twist-clips with string are used to hang light weight signs from ceiling grids. Six feet of white string extends from the clip and a barbed end connects to your sign. A simple twist locks the clip onto the grid securely.

Features

- Hangers are 1-15/16" wide x 1" high.
- Hooks are light-weight white plastic.
- Comes with six feet of white polyester string.
- There is a metal-barbed end opposite the hook to attach your sign.
- Sold in bags of 100.
- Use for quick hanging of light-weight signs.
- Simply unwind desired length of cord (up to six feet) to adjust sign height.
- Hangers are reusable for temporary or permanent signs.
