

Versalam-2700 EP Roll Laminator

[TCC-2700 EP]

Your Price: \$3,699.00

Prices and specifications are subject to change. Click the link to view the latest information: [Versalam-2700 EP Roll Laminator](#)

The Versalam-2700 EP does everything the 2700 P does and does it faster. It does single or double sided laminating, with all film up to 10 mil, and mounting too. It is designed for production laminating of all materials up to 27" wide.

The heated rollers give great results even when laminating difficult materials. The adjustments for temperature, speed, and pressure allow you to use most laminating films at their optimum settings.

Features

- Single and double sided laminating.
- Laminates up to 27" wide.
- Laminates up to 10mi film.
- Laminates at up to 8.8ft/min.
- Variable speed and temperature controls.
- Temperature memory function.
- Mounts up to 1/4" board.
- Uses both 1" and 3" film rolls.
- On/off switch for bottom roller heat.
- Auto shut-off.
- Four rear fans with separate on/off switch.
- Feed tray and front shield sensors.
- Has a middle de-curling bar.
- With a back pull bar.
- Comes with a rear film slit.
- Mounted on its own stand.
- Guide plate for 8.5" x 11" documents.
- Temperature conversion feature.

- Heavy-duty, all-metal construction.
- UL approved.

Specifications

Max. Laminate Thickness	10 mil Mills
Max. Laminate Width	27" inches
Heat Source	2 Heated Rollers
Max. Laminating Speed	8.8 feet/minute
Slitters	Yes
Core Size(s)	1", 3"
Temp. Control	Variable
Laminate/Mount Thickness	1/4"
Speed Control	Variable
Reverse Switch	Yes
Warranty	1 Year
Power	120 V, 60 Hz, 1600 W
Size	23-1/2" x 51" x 26-1/2"
Shipping Weight	158 Pounds
