The MBM 4225-EP 16-7/8 inch Paper Cutter has been discontinued. See our [Automatic Paper Cutters](#) index for a complete list of our current products.

SCS® (Safety Cutting System) package: hinged, transparent electronically controlled front safety guard; transparent safety cover on rear table; main switch and safety lock with key; electronically controlled, true two-hand operation; 24 volt controls (low voltage); patented IDEAL safety drive; automatic blade return from every position; disc brake for instant blade stop; blade and cutting stick can be changed without removing covers; blade changing device covers cutting edge of blade; blade depth adjustment from outside of machine

- programmable "EP" back gauge control module with LED display stores 9 programs (up to 9 steps each) and frequently used measurements
- digital measurement readout in cm or inches (accurate to 1/10 mm or 1/100 inch)
- control module features repeat cut and eject functions

- electric blade and back gauge drive
- Solingen steel blade
- solid steel blade carrier and adjustable blade guides
- patented, lever-activated, fast-action clamp
- spindle-guided back gauge with narrow separations and plastic gliders
- electronic hand wheel with variable speed control for manual back gauge setting
- bright, LED optical cutting line
- all-metal construction
- optional stand or cabinet (shown)
- UL and C UL approved

Features

- LED digital display allows indication accuracy to 0.01" for power back gauge positioning.

- Optical cutting line for easy sight trimming.
- Adjustable blade depth.
- Spindle clamping system applies firm pressure along the entire cutting length.
- Electro-mechanical blade drive simplifies operation.
- Automatic blade return from any position.
- Eject key to move paper away from knife.
- Manual paper clamp.
- Main switch and safety switch with keys.
- Motor protection switch prevents motor damage.
- Blade can be changed without removing the covers.
- Optional stand or cabinet (shown) is available.
- Cutting Width: 16-7/8"
- Cutting Height: 1-1/2"
- Narrow Cut: 1-1/3"
- Cutting Length Behind Knife: 15-1/3"
- Table Length in Front of Knife: 9"
- Motor: 1/2 HP
- Cutter size: 27-1/2"(H) x 25-1/4"(W) x 14"(D)
- Power: 115 V AC, 60 Hz
- Shipping weight: 187 pounds
