These **9" double-wing easel backs** are made of plain chipboard with or without foam tape applied. The easel backs ship flat and assemble quickly by simply folding the locking tab into position. Optional peel-and-stick foam tape makes completing your counter top display even faster.

Features

- Easel backs are made from plain heavy chipboard material.
- Available with or without permanent foam tape.
- Taped 9" easels include two pieces of 1" x 3" foam tape.
- Freestanding, intended for use on countertops.
- A backwards tilt increases the easel's stability.
- Can be used in combination with PVC literature boxes.
- Sold in packages of 10.
