This tack will work in any of our suction cup that has a 0.116" hole in the stem. Choose your ideal suction cup size and adhere your signage to that cup with this clear tack.

Note: Tacks are sold with many of our more popular suction cups. These tacks are intended as replacements for lost or damaged tacks as well as converting plain suction cups to use a tack.

### Features

- Tacks have a 0.15" diameter tack shaft and 0.675" diameter tack head.
- Tacks are made from UV resistant PVC.
- Use with any suction cup that has a 0.16 hole in the stem.
- Tacks are sold in packages of 100.
