This **17" knife guard** is made of ¼" thick heavy-duty polymer, and measures 2½" tall by 17" long. Use it for protection during all non-production work.

A magnetic strip holds the guard securely in place, keeping the knife tip suspended. A black and yellow safety stripe is added for increased visibility.

This knife guard is designed to protect knives up to 16" long.

Note: This knife guard is not intended for shipping protection. Use a knife board when you need to transport your knife.
