DISCONTINUED Industrial duty electric binding machine. Uses true "hot knife" VeloBind® strips for tamper proof security and a neat, professional appearance. Allows you to separate punch and bind operations for greater productivity.

This VeloBind binder is intended for use with a separate punch, allowing extremely high production of bound documents.

Features

- Binds documents up to 3" thick
- Completely motorized, pushbutton operation
- Built in debinder makes adding and removing pages easy
- Binds 1" documents in approximately 10 seconds
- Optional bind counter
- Punch your documents with a universal punch and a VeloBind die
